

ALL FOR LOVE.

MURDER AND SUICIDE IN CONNECTICUT.

A Jealous Swain Stabs His Rival and Upon Learning He Cannot Live Uses the Knife on Himself.

TERRINGTON Conn., June 10.—A stabbing affray occurred at Harwington, a town a few miles from here, last night, which will probably result in the death of two young men.

The stabbing was the result of a dispute over a young lady residing in Harwington, Miss Jennie Hall. The principals in the affray are Waldo T. Latham, aged 22, of Waterbury, and Leslie Curtis of Terrington.

Both have been paying attentions to the young lady. Latham was the favorite one. Sunday when he was driving her home from church they met Curtis. He stopped them and in the quarrel which followed plunged a knife into Latham's abdomen and then ran away.

Miss Hall got Latham in the carriage and took him home in a dying condition. An hour later Curtis called and, on being told Latham could not live, drew his knife and plunged it into his own breast. He cannot recover.

All Quiet at Columbus.

COLUMBUS, Ohio, June 10.—Everything is quiet in the street-car strike. Each side is waiting for the other to make a move. No attempt is being made to run cars.

THE MARKETS.

NEW YORK, June 10.—The disposition in the stock market today on all sides was quiet. No definite action by the Senate on silver legislation, which operators are awaiting before entering into new ventures, and the market has sunk into regular midsummer dullness for the time being. The market showed a great lack of interest today, and only in Villard's trusts and a few others was there any life shown. Final changes tonight are irregular, but generally in the direction of higher figures, though in all but a few cases for small fractions only.

Sugar is up 1/4c. Government steady. Petroleum opened strong. Spot, 91 1/2c; July, 91c. After advancing the market broke to 90 1/2c for spot and 90c for July, but rallied later, closing steady.
